

Iris and Rose Foundation Benefit Concert and Reception

Please join us on Sunday, September 22nd at 4:00 P.M at the Adelphi University Performing Arts Center, for the inaugural benefit concert of the Foundation, a charitable organization, founded by Kenneth J. Rosenthal, MD, one of the country's leading eye surgeons and researchers. The concert will feature Dr. Rosenthal's piano performances, supported by pianist and composer Avraham Sternklar, and by the Iris Chamber Ensemble of Greater New York, which will perform with Dr. Rosenthal under the baton of Frances C. Roberts.

Enjoy a night to remember with piano and orchestral works composed by Mozart, Haydn, Milhaud, and Moravec. All proceeds will be used for eye care and surgery for needy patients and for eye research through the Iris and Rose Foundation.
